Good Morning Ms. Girolami,

Thank you for contacting Governor Roy Cooper's Office. We appreciate you taking the time to voice your concerns about the Atlantic Coast Pipeline. Governor Cooper is very concerned about any threats to our coast and will take this into consideration as he further reviews the matter. Your link and information have been documented.

Regards,

The Office of Governor Roy Cooper

Dear Governor Cooper

Here is the science on how climate change makes a hurricane much worse.

Please take the time

to read it. Science argues against more fossil fuels and demands the use of renewables for our future.

Please do not approve the Atlantic Coast Pipeline. Thank you.

Martha Girolami
